### From My Heart.....

Dear Parents and Students,

Thank you for joining the South Carolina Dance Company! I would like to personally welcome you and hope you will find our studio to be a family oriented studio. All of the classes are going great and we are adding more everyday. We are eager to make sure every child is having fun and in a great class. Please email me if you would like a different class, feel the class is too large or too small, and/or have any suggestions. My goal is to make everyone happy. We strive to make sure every child is having fun while learning the proper dance techniques. We look forward to another fun year of dance!

Please remember to have your children wear the appropriate dance attire (no jeans, loose clothing, and please have them wear tights, leotard, and the proper dance shoes). The new policy book will be ready this week. I will email it and you will be able to read it on our website.

Our new online registration is going great! Thank you for being patient with us during this transition. You can now pay with a credit card online. There is a \$3 processing fee for all credit cards, checks, and edraft online. We are excited about our new online registration process and hope you will find this convenient.

Thank you again for being a special part of SCDC! I look forward our 10th year celebration of dancing at SCDC!

Happy Dancing,  
Danyelee Gardner
