February Edition 2022

From Our Hearts...

Dear Parents & Students,

This is a very exciting time of the year for the studio. We are gearing up for competition season, as well as busily preparing for our end of the year recital. First, we want to say THANK YOU for your continued support throughout this pandemic, we know things have been harder than usual, but we pray for things to get easier. Lots of important information will be emailed out in the upcoming weeks, so please take the time to read all emails from the studio to stay up-to-date on recital.

Please remember that ALL recital forms are due by February 4th. If you have misplaced your packet, please stop by the front desk and we will be glad to help you. If you are a newly enrolled student in 2022, please see the front desk office staff.

Recital costumes are still arriving daily!! We have started sending home costumes and will continue to do so into March. Please be on the lookout for those as well as information on how to care for and store your costumes until recital time.

This is the time to start buying the required tights and shoes for recital. If you are unsure what your child needs, please refer to the second page of your recital packet. There is also a copy of this information at the front desk, for your convenience. Tights and earrings can be ordered through the studio. If you prefer to get them sooner, we recommend going to Wellheeled, located at the corner of Main Street and Taylor Street, in downtown Columbia.

Love,
The SCDC Staff

Costumes should be steamed and kept wrinkle free before the pictures and the performance.

Inclement weather

SCDC will follow Lexington School District 1 for closings due to inclement weather. However, we may decide to open for classes if weather conditions permit.

SCDC will send out text alerts and emails concerning studio closings. Please also tune into WIS TV.

With the cold weather approaching, please dress warmly, coming to and leaving from the studio. It is important that our children stay warm.

Calendar

We are excited that recital dances have been started in all of our classes!

If you need a copy of your child's music, please email your teacher and they will be happy to send you a copy once the music has been finalized.

Most of our recital music has been edited to approximately 2 minutes; so, it is not the version you will find on YouTube or iTunes.

When the dances are finished, teachers will send out a video for your children to practice at home. This is typically near April.

Please make every effort to have your child attend class each week. New choreography is taught every week and it is important for your child to be there to learn it. We don't want anyone to fall too far behind.

It is very important that your child practices daily to ensure that he/she will have confidence and be comfortable performing on the stage!

We can't wait to see all our dancers shine at our 2022 Recital!
