From Our Hearts...

Fall is finally here and our dance season is in full swing! Our teachers are excitedly picking out music and costumes for our annual recital. Please note that costume balances are due October 1st with tuition. This means that there will be an extra charge for each class in which your child is enrolled. If you do not wish for your child to participate in a specific class's recital, this must be noted in your account before accounts are drafted.

SCDC is thrilled to be celebrating our 19th season with you! If you were with us last year, we are continuing to dedicate the entire month of October (which is also Breast Cancer Awareness Month) to a cause very near and dear to our hearts. More details on how you can participate on page 3!

New this year! We will have a small observation week the second two weeks of October! More information is located on page 3 as well as in your email! Please see the front desk if you have not received the details.

All of our students are invited to dress up for their classes the week of October 24th through October 28th! This week is also Bring Your Friend to Dance week!! This is such a fun time of year for us and we love seeing all of the children in their cute costumes. We understand that there may be families who do not celebrate Halloween; so, please no scary costumes. This is simply a fun week for children to dress up and to dance. It's a great time to pull out those old recital costumes! There will be a sweet treat given at the end of class, so please let your teachers know if your child has any allergies! There is an allergy column listed in your parent portal as well. Teachers will often check the computer for allergies so please update this if you are able. Our office staff will be happy to help you with this as well.

We truly love our students and their families and strive to make dance fun and educational. If you have any suggestions or requests please let us know. Thank you so much for your continued support and for choosing SCDC as your child's place of dance!

Sincerely, SCDC Staff

SCDC is an Official Hope Studio, benefiting Dancers Against Cancer. Dancers Against Cancer (DAC) is a beacon of hope around the nation, providing financial assistance to members of the dance community impacted by cancer. As a dance family that has been touched by cancer in many ways, SCDC is proud to have a small hand in the total funds raised throughout the country, which have reached over \$1 MILLION for those in need. Please help us reach our goal of \$10,000!

We will be setting aside two weeks during the month of October where parents can come into their child's dance classes for the last 15 minutes to see what they have been learning. Teachers will highlight a portion of their class to share with parents. We want our parents to see first hand the amazing teaching that is going on at our studio.

Here's how this will work...We have divided our classes up into two weeks. Please check your email for a detailed schedule. Classes are listed by day, time, and teacher. We would ask that with 15 minutes left in the class, you line up outside the studio where you drop your dancer off each day. For example, if your child's class time is scheduled from 3:30-4:30, you will begin lining up around 4:10-4:15. Teachers will come out and get you around 4:15 for the observation period. Please feel free to take pictures or videos of your dancer that day.

We will have our full Open House in December to celebrate the end of our first semester of dancing. During this time, you will be able to see a picture of your child's costume for the recital and celebrate the successes we have seen throughout the first part of the year. More information on that scheduling will be coming to you soon.

We plan to have another observation session in March. This will be a great time to video recital dances so you can help your child practice in order to prepare for our end of the year recital. The schedule will be similar to the October one and will be sent out toward the end of February.

We are so thrilled with the progress we are seeing with our dancers and can't wait to share it with you. If you have any questions, please don't hesitate to call the main office at 803-996-1150.
