# 2023

### From Our Hearts...

Dear Parents & Students,

### Love is in the air!

This is a very exciting time of the year for the studio. We are gearing up for competition season, as well as busily preparing for our end of the year recital. Lots of important information will be emailed out in the coming weeks; so, please take the time to read all emails from the studio to stay up-to-date on recital.

Please remember that ALL recital forms are due by February 3rd. If you have any questions, please stop by the front desk and we will be glad to help you. If you are a newly enrolled student in 2023, please see the front desk office staff.

Recital costumes are still arriving daily!! We have started sending home costumes and will continue to do so into March. Please be on the lookout for those as well as information on how to care for and store your costumes until recital time.

This is the time to start buying the required tights and shoes for recital. If you are unsure what your child needs, please refer to the second page of your recital packet. There is also a copy of this information at the front desk for your convenience. We will be happy to order these items for you. If you prefer to get them sooner, we recommend going to Wellheeled, located in Lexington! Make sure to mention that you dance at SCDC for a discount.

Love,  
The SCDC Staff

## Inclement weather

SCDC will follow Lexington School District 1 for closings due to inclement weather. However, we may decide to open for classes if weather conditions permit.

SCDC will send out emails concerning studio closings.

With the cold weather approaching, please dress warmly, coming to and leaving from the studio. It is important that our children stay warm.

We are excited that recital dances have been started in all of our classes!

If you need a copy of your child's music, please email your teacher and they will be happy to send you a copy once the music has been finalized. Music is usually finalized once the dances are fully choreographed.

Most of our recital music has been edited to approximately 2 minutes; so, it is not the version you will find on YouTube or iTunes.

When the dances are finished, we will invite you to record them so your child can practice with the video. This is typically near the end of March into April

Please make every effort to have your child attend class each week. New choreography is taught every week and it is important for your child to be there to learn it. We don't want anyone to fall too far behind.

It is very important that your child practices daily to ensure that he/she will have confidence and be comfortable performing on the stage!

We can't wait to see all our dancers shine at our 2023 Recital!
